

I-78 CORRIDOR BUS STUDY OPEN HOUSE MEETINGS

Want to hear about future travel options for the I-78 corridor?

Based on the results of our I-78 survey and other analysis, the North Jersey Transportation Planning Authority (NJTPA) will present draft recommendations for improving bus transit service on I-78 and other nearby routes at three open house meetings. Potential improvements include new and/or expanded bus service, commuter parking, and new bus priority strategies.
